This course aims to develop the following communicative skills for the students:

Communicative skills

In the Topic phase

- ▶ Show understanding of the examiner by responding appropriately to questions
- ▶ Give information about the prepared topic in a series of linked long turns about the five discussion points on the topic form
- ▶ Answer questions on the prepared topic, and participate in an informal discussion of the topic, during which the examiner will request more information, facts or details
- ▶ Respond to requests for clarification and give reasons for making particular statements
- ▶ Ask the examiner at least one question about the topic area
- ▶ Take the opportunity provided to use the language functions and language items listed opposite, where appropriate
